

## WANTED VOLUNTEERS WITH EXPERIENCE IN SEARCH AND RESCUE WITH DRONES IN NORTHERN SPAIN BORDERING WITH FRANCE

### SEARCH OF JESUS RIOS WITH DRONES At Morillo de San Pietro, Huesca, Spain

#### Situation:

This Tuesday August 4 2019 marks the fourth day of the disappearance of Mexican Jesus Rios, 71 (*The last time the family heard about him was Saturday, August 3 at 12:00 pm (Spain time)*).

At 8:00 in the morning, members of the Civil Guard have redeployed the entire device based on the church of Morillo de Sampietro. As reported by the armed body this Tuesday will expand the search radius.

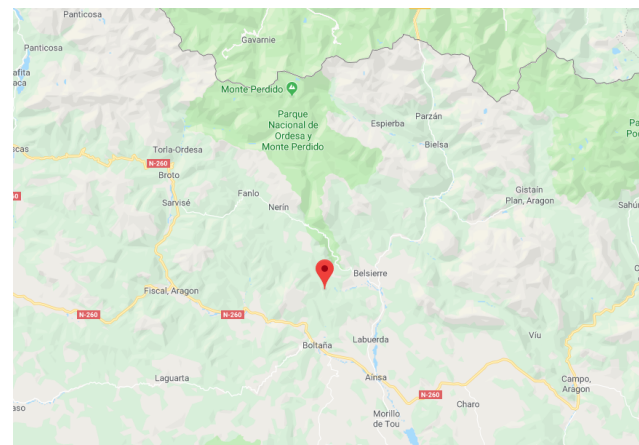

Before the fruitless day of Monday, members of the Civil Guard have decided to extend the range of action to locate the disappeared. Rios went for a walk as he did every morning and his family reported that he had no plans to make a longer route than usual.

The Chief of the Mountain Section, members of the Greim of Boltaña, Huesca, Panticosa and Benasque are participating in the search operation. Components of the Graus Company, the captain of the Graus Company, Commander of the Prosecutor, agents of the Citizen Security Posts of Benasque Graus, Boltaña Ainsa and Seprona. 6 search dogs for Civil Guard persons, firefighters Zaragoza City Council, Ribagorza and Alto Galician, Agents of the Ordesa National Park, and civil protection of the Ribagorza region and the collaboration of the Air Unit based in Benasque.
